

## Joe C. Dutton, Jr. Dies After Plunge In Auto

### Heart Attack Fatal To R. C. Hayes Here

R. C. Hayes, 62, long time employee of the county under Commissioner Roy C. Brown, was seized with a heart attack late Wednesday night which proved fatal.

Hayes was very well known in Hamlin and had been employed in bridge work for the commissioner for seven years.

It has been announced that funeral services will be conducted from the First Baptist Church, of which he was a member, and Reverend A. R. Posey will be in charge. Definite date has not been set.

Hayes is survived by the widow, the sons, G. W. Hayes of Beaumont; Billy Ray Hayes of Fort Worth; Bert Hays, Merck; and two daughters, Mrs. Weldon Blackburn and Miss Bessie Hays of Hamlin.

Also surviving are a brother, W. G. Hays, Call, Texas and a sister, Mrs. N. A. Whittington, Kirbyville, Texas, and a number of nieces and nephews.

### PTA Meets To Install Officers For Year

All members of the Parent-Teachers Association are urged to a meeting to be held April 13 at the Elementary School auditorium. The meeting is scheduled for 3:45 p. m.

Importance of the meeting is based on the selection of officers for the coming year and a representative vote is desired.

Beginner band students of the Elementary school who have been recently enrolled in band classes will bring the program to the meeting.

### Abilene Eagles Spank Pied Pipers Nine

The Abilene high school Eagles clutched their "cousins" in a firm grip Tuesday afternoon and Pied Piper baseball players were unable to turn them loose.

Joe Allen Dean, Hamlin's only pitcher, was no puzzle to the Eagle nine and they "pinned his ears back" with a 14-hit barrage. Meanwhile Eagle pitchers were limiting the Pied Pipers to three hits.

Hamlin was guilty of six errors. Final score, 14-1, Abilene.

A large group of Masons from Hamlin attended the Spring round-up meeting of chapter and council which was held at Anson Tuesday night.

### Turner Home Fire Confined To Attic

Fire broke out in the attic of the John Turner home on Northwest Avenue Tuesday and members of the Hamlin volunteer fire department were occupied for more than an hour in extinguishing the blaze.

Although the blaze had gained considerable headway before the fire was discovered, the department was able to hold it to the attic of the house.

A great deal of water was necessarily used in controlling the blaze and damage was principally from this source.

### Haskell Triumphs In District Meet, Pipers Run Third

Hamlin's band of track performers simply didn't have the balanced strength to contest Haskell in the District 6-A track meet held at Haskell last Saturday.

Despite valiant effort of the specialists on the local squad to carry the Pied Pipers to victory, all around class prevailed and Haskell left the field with 40½ points for first place in the meet. A duo composed of Clovis Riley and Roland Smith led the Albany thinly-clad to sufficient points to qualify them for second place.

Hamlin's representatives furnished sensations of the meet in winning the hurdles events and the mile relay. Asa Goodgame engaged in a thrilling duel with Burl McCoy of Merkel in the hurdles and showed his superiority in both races. In the 120-yard high hurdles Goodgame was clocked in the remarkable time of 15.6 seconds.

The mile relay team, composed of Harold Johnson, Donald Green, Don Rowland and Goodgame was timed at 3:42.9 to take this event.

Each of the three first place winners qualified for the Region 2 meet to be held April 22 at Brownwood.

Donald Green finished third in the quarter mile and Harold Johnson followed him in fourth place. Hamlin finished third in the quarter mile relay.

Donald Holland placed second in the half mile and W. T. Stapler was out of the running.

Goodgame did not fare so well in the low hurdles and was forced to accept third place in this event.

The meet was conducted under perfect weather conditions and was reeled off in record time.

### Chalk Talk Illustrates Rotarian Program

At the regular Wednesday luncheon of the Hamlin Rotary Club Eddie Jay had the program.

Featured on the program were: Donald Johnson and Don G. Marlow local Hamlin youths.

While Donald Johnson sang "Wagon Wheels" Don Marlow drew a wagon train picture in colored chalk. Johnson also sang "Cruising Down The River" and "Old Faithful."

Guests this week included: R. V. Wright of Abilene, guest of E. C. Feagan; Bill Harbert, guest of Carl Murrell and Travis Thompson, guest of O. D. Roland.

Several visiting Rotarians were present from area clubs.

#### METERS STAY

Of interest in Hamlin is the outcome of the election in Stamford which included settlement of the question as to whether parking meters were to be retained.

Vote was almost two to one to keep the meters. Principal cause of majority is believed to have been assurance that 10 to 15 cents per hundred increase in taxation if meters were removed.

Tragedy stalked the trail of a party of Hamlin fishermen as they journeyed toward Possum Kingdom Saturday.

Joe D. Dutton, Jr. 27, driver of one of several cars was fatally injured when his car failed to negotiate a turn in the highway near Graham. Sand and dust which was extremely thick at this point obscured vision of the road and the occupants of the car did not recognize the turn when they approached. The car plunged over a small bluff as a result.

Dutton was taken to the Graham hospital and lingered between life and death until Wednesday morning. Death came at 9:00 a. m.

Body of the victim was returned Home Wednesday.

Graham will be buried in the Anson cemetery. Funeral services will be conducted in the Church of Christ Friday and Minister Bruce Proctor of Abilene will officiate.

Members of the Hamlin Veterans of Foreign Wars, of which Dutton was a member, will conduct graveside ceremonies.

Dutton is survived by his wife and three children in addition to the mother and a brother.

### School Trustees Back Without Opposition

In an extremely quiet election contest held Saturday Tarleton Willingham and Johnnie Agnew were returned as school trustees for Hamlin's independent school district for the coming year.

Board is now comprised of Willingham as president, Clarence Bailey, secretary and LaFoy Patterson, Ed Dodd, Johnny Agnew, Eddie Jay and A. Spencer.

Reorganization of the official family is scheduled for the first meeting after election.

### Lions Go Fishing In Movie Entertainment

Hamlin Lions met in Tuesday session and were entertained with movie projections furnished by B. V. Newberry. Fly fishing as performed by an expert was the subject of the film and this subject sounded a responsive chord in the club membership.

Plans for the restaging of the Womanless Wedding were temporarily shelved and further action was delegated to the hands of the board of directors. It was indicated that a Fall showing of the production would be arranged as of greater interest to the audience.

Bill Shira was appointed to foster the Lions aggregation which will engage the Junior Chamber of Commerce in a donkey basketball game tonight.

Full cooperation of the entire club was assured in providing the personnel of the basketball team.

### Dr. House To Begin Revival at Roby

Dr. Will C. House, pastor of Hamlin's First Methodist Church, will begin a week-long revival at the Roby First Methodist Church Monday, April 10.

Services are to run from Monday, April 10 through Friday, April 14. All are invited to the services he stated.

Clarence Bailey headed a group of Bryant-Link employees who assembled for the opening of the new company store at Snyder. Reports indicate that the remodeling of the Snyder business establishment has made it one of the most modern in the territory.

**LUCKY STIFFS**

Stanley Carmichael, Harry Carmichael and B. O. Bell are at Don Martin on a fishing trip.

The party is expected to return today.

They were joined on arrival at Eagle Pass by Dr. Hocott, formerly of Hamlin.

Pictured above is a panoramic view of the Round Top Field, Hamlin's leading producing oil field, as photographed by R. H. Atkinson of Hamlin. This view was entered by Atkinson in the West Texas Chamber of Commerce competition and was awarded honorable mention in the contest finals.

## Chisholm Trail of B. S. A. Holds Court Of Honor in Stamford Meeting Tuesday

Chisholm Trail Council of the Boy Scouts of America held a Court of Honor for the Jones County District at Stamford last Tuesday at 8:00 p. m.

Robert Bonner, Troop 43 of Hamlin, received the Eagle Scout Award. He is the son of Mr. and Mrs. Harold Bonner. Robert had had three years experience as a cub scout, receiving his Bobcat, Bear, Wolf, Lion and Webelos awards. He became an Eagle Scout at 14 years of age and is a member of the Hamlin High School Band, and a member of The Order of the Arrow, a Scouting organization.

Otho Gillean of Troop 42 of Stamford received an Eagle Scout Award, who is also 14 years of age.

Charles Vaden, Troop 42, Stamford, blew First Call on the bugle and the Court of Honor Staff and Committee assembled. As attention was blown, color guard entered with the American and Texas flags.

Rev. M. C. Turpin, Scoutmaster Troop 41, Stamford, gave the invocation.

Life Scout Tommy Cooper, Troop 42 Stamford, gave the welcome address.

Robert Dickenson gave a candlelight ceremony, lighting a candle for each of the three points of the Scout's promise and each of the 12 points of the Scout law. He then introduced Paul Summers, who gave the opening remarks, introducing Marvin Berry, new area field executive.

Hubert Watson of Stamford delivered an address to the Court of Honor Scouts and spoke on the meaning of honor.

An attendance award, based on the number of adults and Scouts present was won by Anson Troop 22. An advancement award, based on the amount of advancement in the troop, was also won by the Anson Troop.

A Guard of Honor escorted Robert Bonner and Otho Gillean to the stage and the boys' parents, Scoutmasters, school superintendents and pastor were also marched to the stage. There the boys' mothers pinned the Eagle badges on the boys. R. E. Johnson gave each of the boys a miniature Eagle pin to present to their mothers. Troop 43 presented Mrs. Bonner with a corsage as did Troop 42 present Mrs. Gillean a corsage.

There were no other awards given Hamlin Scouts at the Court of Honor.

As a closing ceremony, the Scoutmaster's Benediction led by Robert Dickenson, followed by the playing of taps.

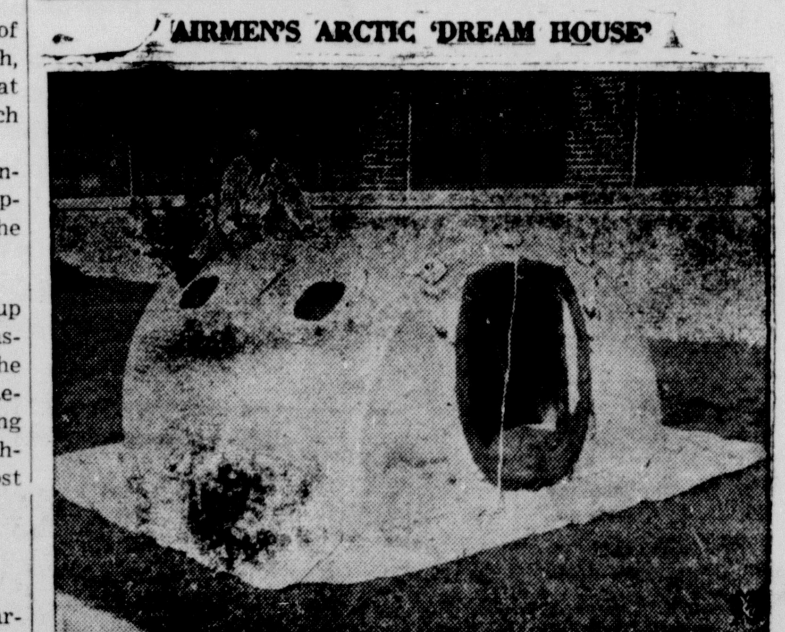

## Fire Clears Banks Of Hamlin's Old Lake MYF To Hold Sunrise Breakfast, Services

In addition to other calls during the day, the volunteer fire department was called to the old lake Monday to monitor a afternoon-long fire which cleared the lake of undergrowth.

Fire was allowed to consume the vegetation and a careful watch was maintained to prevent spread of the flames to surrounding buildings.

Announcement was made early this week by Dr. Will C. House, pastor of the local Methodist Church, that the Methodist Youth Fellowship will hold sunrise Easter breakfast and services.

Services will be conducted at the Hamlin Old Lake at 6:00 p. m.

This new quonset hut may not be the answer to the housing shortage, but to American airmen stranded in the Arctic, it will be a real dream house. This pneumatic shelter, which can be blown up with a hand pump, is draft-proof, snow-proof, water-proof and easy to transport. Constructed from cotton fabric impregnated with rubber, the shelter is designed to withstand up to 100-mile-an-hour gales, according to the National Cotton Council.

## Accident at Elevator is Probably Not Fatality

### Foursquare Church To Lose Pastor Sunday

Announcement was made this week by Rev. Alice Harrell, pastor of the Hamlin Foursquare Church that she was resigning her pastorate effective, Sunday, April 9.

She will deliver her farewell message Easter Sunday night.

Continuing on a report of the new church building under construction by the local congregation she stated it was near completion.

The \$20,000 building is completely paid for, with materials on the ground to finish the project.

### Brundage Chosen Mayor of Hamlin In Quiet Election

Hamlin's city administration for the coming year was selected at a comparatively uneventful election Tuesday. No opposition was designated to the announced ticket for the city offices.

B. M. Brundage emerged as the mayor to succeed Holly Toler and will be "head man" of the city. Total vote for Brundage was 82 which represented the total vote cast.

Arlie Cassle with 77 votes and Clyde Huff with 78, were elected to succeed themselves.

J. B. Terrell, Jr., with 79 votes will step into the council seat vacated by Brundage when he becomes mayor. Terrell is the only new member of the governing body of the city.

Write-in votes were cast in token form for W. L. Cash, John D. Turner and D. M. White.

Installation of Brundage as mayor and Cassle, Huff and Terrell as councilmen is to be completed Monday night.

When interviewed by Herald representatives Wednesday, Terrell expressed a desire to thank the voters publicly for this indication of their confidence in him.

Brundage said that he fully recognized the honor that had been bestowed upon him and that he humbly embarks on his new civic job with a full realization that it is only with the cooperation of the citizens themselves that his administration can be a success.

Huff and Cassle also expressed gratification at the confidence of the citizens in returning them to office and pledged their effort to the best interests of the community.

### Softball Club To Be Formed By Girls

Plans for the formation of a girls' softball team for Hamlin are being laid this week and Clyde Brown has been drafted as coach of the aggregation.

Nucleus of the team is to be the same as that which enjoyed a successful season last year and it is anticipated that additional talent will be unveiled during the coming season.

A plea for recruits to the team has been issued and Mrs. Jerry Brewer is accepting applications for positions on the team from those interested.

No sponsor for the club has been obtained and site for playing of games has not been selected.

**STEVE MORGAN HONORED**

Steve Morgan, principal of the Hamlin colored school was elected as third vice president of the West Texas Teachers association at Midland last week.

The organization embraces colored teachers in all schools west of Fort Worth.

New York City was the capital of the United States from 1785 to 1790.

### County Club Meet Set For Tuesday

Conflict in meeting nights of a variety of organizations in Hamlin led to postponement of action by members of the Hamlin County Club Tuesday night.

An informal discussion of plans for completion of a membership drive was held by the small group present and setting of Tuesday, April 11 as official meeting night was made. The meeting is to be held at the City Hall.

Problems incidental to the solicitation of final memberships to close the 100-quota membership campaign are to be taken up with the group as a club and a flying squadron will doubtless result as a selling medium.

Definite figures are now available to proportionate costs of clubhouse and grass green construction and information of this sort is available to prospective club members.

It is felt that voluntary approach of interested citizens of the town along with last minute contacts of drive committees will result in oversubscription of the quota.

Teddie Russell and Earl Smith are performing voluntary duty in soliciting the memberships to date. They are employed at the F. & M. Bank.

**FFA Goes To Abilene For Jersey Stock Show**

Five members of the Hamlin Future Farmers of America organization and one 4-H Club boy will show stock at the annual West Texas Jersey Cattle Club show at Abilene April 6 and 7.

They are James Brigham, Donald Johnson, Donald Strain, Larry Reynolds and David Ford of the FFA group and Boyce Blankenship of the 4-H.

Feature of the show will be the auctioning of 10 to 12 heifer calves furnished by outstanding Jersey breeders. Only members of the FFA and 4-H clubs will be eligible to bid for this stock.

Dr. Rupel, head of the dairy husbandry department at Texas A&M will be judge of the stock exhibited at this show and representatives of the clubs will engage in a judging contest.

### Alleged Bootleggers Taken In Raids Friday

Extreme quiet reigned among salesmen of spirits in Hamlin as a result of a series of raids conducted Friday afternoon.

Under the lead of Joe Backus, L-man from Abilene and his assistant, four highway patrolmen, one ranger and one deputy sheriff descended on Hamlin and enlisted the cooperation of Police Chief J. H. Foster and Patrolmen John Graham. This group outlined a schedule for visits to be conducted simultaneously and the foray was under way.

Result of the raids led to the arrest of three of the eight selected for attention.

The fact that charges were of first offense nature led to minor punishment for the trio.

**Baseball Club Looks Sharp in Workout**

Indications were, after a Sunday afternoon workout, that the Hamlin Cardinals are again to field a strong baseball aggregation.

Proven player of past years are again available to the club and these will be augmented by new arrivals among the oil company personnel of the area.

Return to Glenn Adair from the trout camp of the Lubbock Hubbers will provide additional pitching strength for the nine.

Another practice session is to be held Sunday at the local park.

### One of those freak accidents that cannot possibly happen resulted in serious injury to Charles Edward Taylor, 25, at the Fred B. Moore elevator Tuesday evening.

Taylor, a truck driver for the McAllister Trucking Company, Abilene, had apparently stopped at the elevator, which was closed for the season, to be weighed for highway permit.

Fred B. Moore, Jr., and other workmen were busy in the new portion of the elevator and did not know of the man's presence on the premises. Moore's automobile was on the premises and the driver evidently went in search of someone to weight his truck.

A small door opens into the "boot" of the elevator, that portion into which grain is dumped from grain-laden trucks during the active season. The man is believed to have stepped into this doorway and started descent on a spiral steel stairway into the boot.

Evidence indicates that he had descended approximately a third of the way into the darkened area when he lost his footing and toppled over the hand rail provided and fell to the bottom of the pit.

For some reason that he cannot explain, Moore deviated from his usual practice and passed the closed portion of the plant and heard a peculiar gurgling noise that he could not identify. It was then he recalled that he had heard a faint noise caused by the man's fall and investigated.

The light was so poor in the closed off section that Moore first believed that it was his father in the pit and he immediately called for help. Employees Corbett and Kitson came to his aid.

An ambulance was called and Lonnie Kidd was called from the feed store. Together with Frank Harrington, driver of the ambulance, the men were able to strap Taylor to a board for lifting from the pit and he was transported to ground level over the winding stair.

Taylor was taken to the Hamlin Memorial hospital and preliminary examination was made. He was found to be suffering from concussion and a fractured hip. He remained unconscious throughout the night and lapsed into consciousness at intervals during the next day.

He was transferred to the Hendrick Memorial hospital Wednesday after it was established that he was temporarily out of danger.

**PRETTY PUCKERETTE**

A gay cotton puckerette swim suit makes a sunny beach even brighter. Designed by Catalina in printed seersucker, the ballerina-skirted suit is convertible and can be worn either strapless or with straps. The National Cotton Council reports that cotton is the favorite fabric for swim suits and beach clothes this season.

#### VERSATILE FASHION

A staple in the closet of every college girl, career girl, and homemaker is the adaptable, short-sleeved cotton blouse. It is one of the fashion world's most versatile items, for it can be teamed with skirts, suits, blouses, shorts, slacks or what have you. This neat, tailored cotton blouse was designed by Ship 'n Shore.

II, but the disability has increased considerably since then. Is compensation payable for the increase in severity occurring during enlistment?

A—Existing legislation provides compensation for disabilities aggravated during and as the result of active service.

Q—What are the compensation rates payable for World War II veterans for service-connected disabilities?

A—The rates range from \$15 a month for 10 per cent disability to \$150 a month for 100 per cent or total disability. Statutory awards for loss of leg, arm, eye, etc., plus additional compensation for dependents of a totally disabled veteran may run the total payment to \$451 a month.

Q—My late husband, a World War II veteran died of a non-service-connected disability. Am I entitled to a pension?

A—As his widow, you may be entitled to a pension if your husband's service meets the requirements and your income does not exceed \$1,000 per year if without a minor child, or \$2,500 if with minor child or children.

Q—After I had mailed my last NSLI premium by postal note, I realized that I had failed to identify myself on the note. What shall I do now?

A—You should write to VA at once giving the amount of the postal note, the date and post office from which it was mailed as well as your name, address and policy number. In future premium payments on postal notes, you should make sure you write your policy number on the front.

## 36,000 Telephone People Will Get Raises This Year

Under existing contracts, which the company has offered to continue, 36,000, or three out of every four telephone people, will get raises this year. Averaged over all employees, these raises will amount to \$2 a week per employee.

Unlike most industries where an employee must wait for a vacancy to get a higher-paid job, telephone people receive regular, scheduled raises from the day they start until they reach the top rate for their jobs.

Basic wage rate increases have more than kept pace with increased costs of living. Since January, 1941, telephone wages have gone up 94 per cent... while the cost of living has increased only 66 per cent in the same period.

The company's Benefit and Pension Plan, long recognized as one of the best, was improved in November to provide pensions of at least \$100 a month, including social security, at age 65 after 20 years' service. Actually, many employees will get substantially more.

The Plan also includes liberal sickness benefits—up to a year's full pay depending on length of service—plus disability, accident, and death benefits of as much as a year's pay. The plan doesn't cost employees a dime.

Telephone people enjoy one to three weeks' paid vacation. Also, they get seven holidays a year with pay.

Telephone rate increases so far in this state have lagged far behind rising operating costs and have even failed to cover the current cost of wage increases already granted.

This has been a big factor in pulling down the company's rate of earnings to the lowest level in its history.

Obviously, any further increase in wages beyond those already provided in existing contracts, will have to come from pockets of telephone customers.

### HOW DO THESE EARNINGS LOOK TO YOU?

The real test of telephone wages is how they compare with those paid in the same communities for jobs requiring similar skill and experience. Here are average weekly and annual earnings of telephone people.

**Fully experienced Plant Craftsmen** . . . . . **\$75** **\$3,915**  
(Such as Repairmen) A Week A Year

Plant craftsmen with five years' service: \$61 a week, or \$3,154 a year. One year's service: \$42 a week, or \$2,192 a year.

**Fully experienced Operators** . . . . . **\$45** **\$2,349**  
A Week A Year

Operators with five years' service: \$42 a week, or \$2,192 a year. One year's service: \$38 a week, or \$1,983 a year.

**Fully experienced Business Office Women** . . . . . **\$47** **\$2,453**  
(Service Representatives) A Week A Year

Business Office women with five years' service: \$44 a week, or \$2,297 a year. One year's service: \$37 a week, or \$1,931 a year.

The above figures include basic wages for a 40-hour week plus extra pay for overtime, night, Sunday, and holiday work.

### Cancer Claims 7,271 During Past Year Health Officer Says

Deaths from cancer in Texas reached a total of 7,271 during the past year, indicating that a warning against cancer quacks and so-called cancer cures is justified by the State Health Department. Early diagnosis and competent treatment could have prevented many of these deaths, according to a report made to The Herald by Dr. George W. Cox state health officer.

"There are but two ways of treating cancer. First, by surgery and second, by the use of radium or x-ray. Treatment must be started early and in the hands of a competent surgeon. Surgery is relied upon to remove cancerous tumors and is used in nearly two-thirds of the cases. X-ray or radium is used to advantage for the remaining group. Frequently the two methods are combined. Self-medication, serums, colored

lights, pastes, salves, and diets are valueless.

"The great protection against cancer is early diagnosis. Every case is an emergency and it is unfortunate that the majority of those with cancer do not seek medical advice early in the first stages of the disease. No hope should be placed in fake cancer cures or treatments. Rather, the annual physical examination and an immediate reporting to your physician of any symptoms which may be suspected to be the beginning of cancer should be relied upon. These symptoms are: any unusual bleeding from and body opening, any lump in the breast or other part of the body, any persistent sore, may not be cancer, but sometimes they are forerunners of the more common types of this disease. Where cancer is suspected, do not delay, but consult your physician at once," he concluded.

William Harvey discovered the fact that blood circulates.

### Mother and Baby Doing Well

Expectant mothers learn how to bathe baby painlessly and happily in a special Red Cross home nursing course in Mother and Baby Care

### LaRue Kite Weds Chas. Rodgers Friday

LaRue Kite and Charles Rodgers were married Friday evening, March 24 at Sweetwater.

The bride is the daughter of Mr. and Mrs. R. L. Kite of Hamlin.

Bridegroom is the son of Mr. and Mrs. D. C. Rodgers of Rotan.

The couple left immediately after their marriage for Monahans where they will make their home.

King George V of England, Kaiser Wilhelm II of Germany, and Czar Nicholas II of Russia were all first cousins.

## BANDIT GOLD

(A Short Story)  
By RICHARD HILL WILKINSON

THE BANK at the Crossroads had been robbed and the robber had escaped with \$10,000 in gold. He was reported headed toward Bear Creek, and all residents had been urged to be on the lookout. The announcement was made by radio, and old Warren Samuels, who occupied the only cabin on Bear Creek, north of Big Pine, heard and seemed only mildly interested.

Along about 8 o'clock a rap sounded on the cabin door. Warren hadn't heard the visitor's approach because it was raining outside and the wind was howling. He went to the door and threw it open.

"Howdy," he said to the man standing there. "Come in out of the rain. It's a bad night."

"Keep your mouth shut," the stranger was saying. "I been here since morning, get me?"

The visitor looked into Warren's gentle eyes, and then looked beyond into the room. He stepped inside after a moment and cast a quick glance about.

"Got a radio, I see?" he said. "Suppose you listen in to all the news broadcasts?"

"Nope," Warren replied. "News don't interest me much. Ridin' far!"

"Stayin' here for the night, if yuh don't mind?" Put his horse in your stable already."

The stranger removed his

noddled toward the stranger. "Friend of mine, Bill Wiggin. Stopped by this morning to lay up while his horse's foot healed. Bill meet Sheriff Hadley."

They gossiped idly. Wiggin sat carelessly with his hand beneath the table. The officer partook of beans. Warren's tongue wagged. A quarter of an hour passed, and then they heard the clatter of approaching hoofs. Wiggin grew tense.

"Posse, I guess," said Hadley. The hoofbeats stopped outside. Footsteps approached; the door burst open. Four men, masked, guns in their hands, were suddenly inside.

The leader held his gun handy. His three followers produced ropes, bound old Warren and his guest in the chairs where they sat. Resistance was useless. Sheriff Hadley swore.

The leader of the masked four approached Warren, jabbed a gun into his ribs. "Guess you know what we're after, old man. Better produce your cache of gold and save time and trouble."

Warren looked genuinely surprised. "Gold? I ain't got any gold. Don't pan enough out of the creek to keep me going, hardly."

The gunman turned. "Take off his boots, Jake. He'll talk."

They removed old Warren's boots, stuck an iron in the fire till it glowed red hot. Sheriff Hadley, when he saw what was about to happen, tore at his bonds. Wiggin looked away sickened.

Old Warren screamed. The sound reached Wiggin's soul, and he turned, strangely fascinated. Hadley cursed horribly. "You'll hang for this," he roared. "There ain't any gold. I know . . . I'll get you all for this."

Warren screamed again, and suddenly Wiggin broke forth in a torrent of speech. "Lie up, you fools! Let up! He ain't got the gold. I took it from him an hour ago. It's in a bag on my saddle in the stable. Go

### NEW C. OF C. MEMBER

Tom Holman was announced as a new member of the Hamlin Chamber of Commerce this week.

Report of all members of the solicitation committee was not available to the secretary, Mrs. E. M. Wilson.

The purpose of the pyramids of Egypt was to shelter the bodies of the rulers until Judgment Day.

Viscountess Astor, formerly Nancy Langhorne of Virginia, became England's first woman member of Parliament.

### Rise in Cottonseed Products Reflected

Cottonseed received at Texas mills in January, totaled 69,678 tons, dropping 38 per cent from December, but rising 274 per cent from January 1949. The Herald learned early this week from a report from the University of Texas Bureau of Business Research.

Cottonseed crushed in January was two per cent below December but 43 per cent above January a year ago.

Stocks on hand January 31 totaled 437,566 tons, as compared with 564,960 tons on December 31, and 282,251 tons on January 31, 1949.

The Bureau's index of cottonseed crushed, adjusted for seasonal variation, rose 10 per cent to 143 per cent of the prewar (1935-1939) base period.

Blue and yellow are the primary colors which make green.

## Garden Club To Meet In Culbertson Home

Hamlin Garden Club will meet with Mrs. Joe Culbertson, Friday afternoon at 3:00 p. m., April 14 announcement was made early this week.

Members who cannot be present are asked to notify the hostess.

Regular time for the election of club officers is purpose of the meeting.

The first two ironclad ships to participate in a navel engagement, in American history, were the Monitor and the Merrimac.

## Tommy Tucker Feed Camp Fire Event

Under direction of Mrs. Mason and Mrs. Ned Moore, sponsors, Camp Fire Girls dressed as storybook character had a Tommy Tucker Supper Monday evening.

Storybook songs were sung and supper was collected and taken back to the Hut.

Those included were: Betty Teague, Jean Kidd, Gwendolyn Brown, Reanee Moore, Sarah Fambly, Ida Carter, Herlenda Mendoza, Kay Mason, Sandra Stewart, Babette Boyett, Retha Sanders and Joy Hames.

KITCHEN MEMO BY JEAN CLARKE

For the families who like their pie with cheese, this recipe puts the cheese right into the filling to cook with apples in a pastry shell. To make Chateau Apple Pie, scald 1 cup evaporated milk in a double boiler. Add 1/2 lb. shredded processed cheese and 1/4 tsp. salt. Keep over heat until cheese is melted, stirring frequently. Gradually stir the mixture into 2 eggs, slightly beaten. Combine about 1/2 cup sugar, Sprinkle over 2 cups apples, thinly sliced. Put apples into unbaked 9" pastry shell. Bake in hot gas oven (425°F.) 15 mins. Then turn down gas to reduce oven heat to 325°F. Pour custard mixture over apples in pie shell. Continue baking until a sharp knife inserted near the center of pie comes out clean—about 35 mins. Cool and serve.

All automatic gas ranges built to "CP" standards are equipped with lifetime guarantees for top, oven and broiler burners.

As soon as cooking pressure is reached turn down the flame under your pressure cooker. Then begin to count time for cooking period.

When cooking fudge, don't beat it as soon as it's taken off the burner. Rather, pour fudge into chilled bowl, then beat with egg beater to get it creamy.

Don't be too startled at the amount of lint you get in the lint trap of your gas dryer. It's no more than when clothes are hung outside. Only difference is that outside the wind blows the lint away and you can't actually see it.

## Gift Shower Given For Daurice Ewing

Miss Daurice Ewing, bride-elect of John Harold Steele, was honored with a gift shower, Tuesday evening of last week in the home of Mrs. Eugene Eaton of Celotex.

Mrs. L. E. Hines received the guests and Miss Joyce Dunn presided at the register.

Mrs. Wayne Wainscott and Mrs. Bruce Hallmark served refreshments from a candle-light table decorated with yellow and white sweet peas on fern surrounding the punch bowl.

Games were directed by Mrs. Eaton and a reading was given by Mrs. L. E. Warnell.

Guests were: Meses. Hershel Ewing Jr., J. V. Ewing, Esther Ewing, L. H. Clark, George Campbell, John D. Mercer, J. L. McWright, Virgil Steele, Bill Ford M. H. Bond, E. B. Hopper, Bill Dominey, Eugene Houghton, Marcelle Moulton, Floyd Smith, J. D. Wyatt, H. M. Rawlins, J. W. Riddle, Floyd Briscoe, Wood Cowan, J. L. Blanton, D. L. Yearry, W. C. Lockhart, N. L. Crowley, O. L. Wallace, W. Wallace, C. D. Jones, George Darden, Frank Houghton, Leila Houghton, Mary Francis Ewing, Frances Martin, Rosalie Fisk, Ruth Houffman, Marida Ray and Mary Sue Warnell.

Aborigines of America are called Indians because Columbus and his men thought they had circled the globe and reached India.

A periscope consists of a revolving prism which reflects horizontal light rays down a vertical tube.

## Oddis Hallmark, Jr. To Wed Kay Varner

Mr. and Mrs. Oddis Hallmark Sr. had as their guest this past week their future daughter-in-law Miss Kay Varner of San Francisco who will marry Pfc. Oddis Hallmark Jr., the latter part of this month.

She is employed in San Francisco by the American Bank & Trust Company and has been in their employment for four years.

Miss Varner plans to resign and go to Fort Benning, Georgia with Oddis Hallmark Jr.

Oddis is a paratrooper in the

Air Corps and has finished his boot training.

Opium is derived from the white poppy.

Mrs. B. M. Brundage is in Kerrville to be with her sister while surgery is being performed on her brother-in-law, Lee Hobbs, of that city.

ET AL, MINORS NO. 1915  
In the County Court of  
Jones County, Texas.TO: All persons interested in  
the Estate of GERALD T.  
FUDGE, a minor:You are hereby notified that I  
have, on the 5th day of April,  
1950, filed with the County Clerk  
of Jones County, Texas, an ap-  
plication, under oath, for authority  
to make to ECK GILLESPIE, as  
lessee, an oil, gas and mineral  
lease on that certain real estate  
belonging to said GERALD T.  
FUDGE, a minor, situated, lying  
and being in Stonewall County,Texas, and more particularly de-  
scribed as follows:Being an undivided ONE  
TWENTY-SECOND (1-22nd) in-  
terest in and to all of the oil, gas  
and other minerals in and under  
all of the Northwest One-Fourth  
(N. W. 1/4) of Section No. 152,  
Block No. One (1), B. B. & C.  
Ry. Co. Surveys, Stonewall Coun-  
ty, Texas, described by metes and  
bounds as follows:BEGINNING at a stone buried  
beneath the surface of the ground,  
placed for the N. E. corner of  
Section No. 152, and the N. W.  
corner of Section No. 152, for  
the N. W. corner of this tract  
THENCE S. 103°31' vrs. with the  
W. B. L. of said Section No. 152,  
to a stone buried in the ground  
for corner; same being the N. W.corner of the S. W. 1/4 of said  
Section No. 152; THENCE E. 97°4  
vrs. to stone set in the ground  
for corner, same being the N. E.  
corner of the S. W. 1/4 and the  
N. W. corner of the S. E. 1/4 of  
said Section No. 152; THENCE N.  
103°31' vrs. to stone buried be-  
neath the surface of ground, on  
N. B. L. of said Section No. 152 at  
the N. W. corner of the N. E. 1/4,  
corner of said Section No. 152  
for corner; THENCE W. 97°4 vrs.  
with the N. B. L. of Section No.  
152 to the place of BEGINNING  
containing 178.32 acres of land;The interest of the said ward,  
GERALD T. FUDGE, in and to  
all of the oil, gas and other min-  
erals lying in, on and under the  
above described tract or parcel of  
land amounting in the aggregate,  
to 8.11 mineral acres, more or less.That R. Q. Garrett, Judge of  
the County Court of Jones Coun-  
ty, Texas, on the 5th day of April,  
1950, duly entered his order desig-  
nating the 17th day of April, 1950,  
at 10:00 o'clock a. m. in the Coun-  
ty Court room in the court house  
of said county, in Anson, Texas,  
as the time and place, when and  
where such application will be  
heard, and that such application  
will be heard at such time and  
place.(Signed) I. C. FUDGE, Guardian,  
Estate of I. C. Fudge Jr.,  
ET AL, minors. 1cJohn Hancock's signature on  
the Declaration of Independence  
was so large that his name has  
become synonymous with signa-  
tures ever since.**Hamlin Births**Mr. and Mrs. Mack Sellers, a
